FRIDAY, JUNE 16. 1893

The President has appointed Justus J. Hatch postmaster for Newport, Ky.

West Point Military Academy graduated 51 young lieutenants this week. A North Carolinian took the honors of the class.

The Duke of Veragua and the Queen of Calabria have arrived in Chicago. The former is to New York and the latter is en route to Niagara Falls.

Mr. Frank Lewis has secured a divorce from his wife, Willie Wills. Drunkenness, licentiousness and general worthlessness were the grounds.

There are 2,754 languages now spoken in the German Empire.

And yet it is impossible to find words to properly express the general opinion of the present legislature.

Two more rape cases were cracked this week. Tennessee and the other in Virginia. This brings the number of sudden deaths of this character up to 37 this year, three of which were north of the Ohio river.

The Tennessee Press Association now in session in Nashville, will pass through this city to day at 10 o'clock enroute to Chicago and the World's Fair. Mr. Andrew J. Grayby, of Nashville, is President of the Association.

It is said that Will Smith is now a good boy to District Attorney, may, although the appointment will not be made until January. The President wants to give Mr. Jolly a chance to bag some of the big game he is after, before a change is made in his office.

In 17 States of the Union there are 110,838 persons confined in penitentiaries. That is to say, that the other 22 States can as many as the aggregate number of criminals is something startling, when we remember that the larger part of them manage to keep out of prison.

Louisville has turned out a girl rescuer in Miss Fannie Edwards. She has taken the lead in the rescue of a girl who had just escaped from the Methodist church in Campbellville, Ind., in which there were seventy accidents to the church in fifteen days.

Chris Evans and John Scantling, the notorious California train robbers have at last been run to earth and captured, after having resisted arrest for months and killed several men in their flight with the law. Both were found to be wounded. Scantling is not expected to survive his wounds.

Among the presidential applicants Tuesday was that of Mr. Robert T. Cook to be Collector of Internal Revenue for the district of Arkansas. Mr. Cook is a nephew of Dr. E. C. Cook, of Louisville, and a man who has made Miss Lulu Hale of Trigg county, his wife. He is well known and favorably known in this city.

Conrad C. Ellis and Senator Bingham made a final appeal to the President in Dempsey's behalf Wednesday afternoon. The Owensboro Messenger says Capt. Ellis returned to Washington, where he had been called after his departure. An appointment will undoubtedly be made this week. It will be either Powers or Dempsey. In the Louisville district the appointment of Ben Johnson, who has been semi-cannibalized, is announced. His success is a victory for what Mr. Steely calls "the combine."

Will J. Abraham has been called upon to run for the Legislature from the Fifth district of Louisville, and for the seat of the Democratic candidate the State it is to be hoped he will consent to run. The time has come for L. Louisville to quit sending toughs and plug-uglies" to the Legislature. The time has come for the good, the thoughtful man of business and would come along with an influence to carry the day. If we ever go to have better Legislatures, then we must have Mr. Abraham must be chosen.

It begins to look like there is a chance to move the Capital away from the village of Frankfort. The result will be up to the Legislature in the House and by a vote of 50 to 34, speaker Moore was in evidence in an adverse decision and the hottest fight of the session is on. The question was over who would get the bill. The bill, if passed, would be sent to the Senate, where G. Alford will rule that two-thirds of those voting will carry the bill.

Henderson's triumphant fight for Mayfield resulted in the election of John C. Atkinson by the following Atkinsen 64, Stirling 54.

## CIRCUIT COURT.

The Docket being Rapidly Cleared and Important Matters Being Passed On.

LIST OF INVESTIGATIONS RETIRED.

This has been a busy week in Circuit Court, as much business has been disposed of.

The grand jury failed to return an indictment against Mat McKinney, who, it is said, had been a good boy, but Mat McKinney was released from jail.

Jake Speed, charged with carrying a pistol concealed, was fined \$50 and costs.

In the case of the Commonwealth v. Dr. J. W. Lillard, charged with receiving stolen money, the jury returned a verdict of "not guilty."

Several cases were continued until the next term, as they will likely be tried in the cases as soon as the cause of material witness is examined.

INDICTMENTS RETURNED.

The following indictments have been returned by the grand jury:

Stephen Hayes, breaking into store house, 2 cases.

Willie Payne, pistol lottery.

Willie Wallace, pistol shooting and wounding another.

Sam. C. d. w.

W. W. Lacy, assault and battery.

Dave Broadie, malicious shooting.

Willie Collins and others, same.

Robt. Stennett, indecent fornication.

Mal. Wells, keeping bawdy house.

Bob Meacham, obstructing public highway.

T. H. Daugherty, selling liquor to minors, six cases.

Two or three years ago the banks had a large amount of "dead" business.

The money seems to be in the hands of the people and the banks are failing every day. This means nothing except that there are more and more people needed for protection and the weaker cases are being crowded out.

In view of what Hood's Pills are doing for others, it is not reasonable to believe that it will also be of benefit to you?

Dawson Springs.

This celebrated watering place is well known to the public and needs but little comment. It has enjoyed a liberal patronage from the time of the opening of the Louisville and Nashville and will continue to do so under the management of the Arcadia Hotel Company. N. M. Holman & Co., the proprietors of the Arcadia House, have greatly increased their accommodations, the hotel and added enlarged improvements to the buildings.

There are a large number of visitors at Dawson now, and the Arcadia, although capable of comfortably accommodating all the people who come to take care of the people who will stay at no other house in the course.

It is to be hoped that the Company will not be compelled to close.

## PEMBROKE ITEMS.

PEMBROKE, June 14.—The burgars made a raid on Pembroke on last Saturday night, entering a number of houses and taking away some money. They also made a raid on the drug stores except "spit and ash," as they had ample opportunity to load themselves with other valuables. They entered the family room of Mr. J. C. Phillips, who, it is said, had a small amount of change, but left two gold watches, one belonging to him self and the other to his wife, both of which were broken on the crossing causeway. They also made a raid on Dr. J. W. Lillard, charged with carrying a pistol concealed, was fined \$50 and costs.

The grand jury failed to return an indictment against Mat McKinney, who, it is said, had been a good boy, but Mat McKinney was released from jail.
